Drug and Alcohol Policy

The School is a drug-free environment. The use, possession, or distribution of alcoholic beverages or illegal chemical substances on campus is prohibited. Upon enrollment, the student signs a statement indicating understanding of and intent to abide by the School's Drug Free Program.

A student who violates this policy will be dismissed from the School without recourse and reported to local law enforcement.

In regards to the Drug Free School Policy and Program, the School reserves the right to administer random drug testing and/or reasonable suspicion testing of its students. Students in violation of the Drug Free School Policy will be dismissed and will not be eligible for readmission.

Additional information is included in the School's *Consumer Information Guide*, available online at http://www.allstatecareer.edu/.
