PNR205 : CONCEPTS OF LEADERSHIP AND COLLABORATION

This course introduces the student to the concepts related to collaboratively prioritizing, delivering, and coordinating care within the context of the healthcare team. Concepts of leadership, delegation, supervision, and the management of care for multiple clients within the scope of the licensed practical / vocational nurse are examined. Development of team leadership and followership skills, including communication, collaboration with other members of the health care team and delegation to unlicensed personnel is highlighted.
