Course Programming

All-State Career reserves the right to determine when each course is offered, to decide the number of credits a student may carry, and to make changes in programs or classes to better fit changing career requirements or student goals, objectives, and needs. Class size may vary depending upon the course.

Classes may be scheduled between 8:00 a.m. and 11:30 p.m., Monday through Friday; and 8:00 a.m. and 6:30 p.m. on Saturday and Sunday.

Some courses require clinical hours at hospitals and skilled nursing facilities which operate 24-hours each day, seven days a week. The scheduling of clinical hours for some classes may be at times other than normal School hours, including late evenings, early mornings, and weekends. The assignment of externship and clinical hours is non- negotiable by students.
