Tuition Refund Policy

A student wishing to officially withdraw should inform All-State Career at least five calendar days, but no more than thirty calendar days, in advance of withdrawal, and is encouraged to do so in writing. A student who returns to All-State Career after withdrawing must sign a new Enrollment Agreement and will be subject to the then- current price of tuition and fees. A student's last date of attendance as documented by All-State Career will be used to calculate any money the student owes and to calculate any refund the student is due.

Student refunds are based on the formula below:
