CTD155 : CDL SKILLS/DRIVING

This course will have students continue to build on their previous learned skills and enhance the driver's ability to react to the ever-changing driving situation in a busy and unpredictable environment. To assess the student's driving skill level when driving in residential, shopping, and city environments and to prepare the student for the CDL A test to obtain entry-level employment as a Class A driver. The student will be able to spot potential hazards and stationary objects, practice safe operations, understand the importance of maintaining a professional attitude, have an understanding of how to conduct themselves in a professional manner among other drivers, understand traffic controls, stop lines and crosswalks, truck routes and bus corridors and also parking safely to make an emergency stop. Students will continue "Transportation Industry Awareness Lessons" with a focus on load securement of the trailer.
